MEDIUM OIL

Developed alongside PBA® superstar EJ Tackett, the pearl VIP is a limited-edition release for medium oil engineered to get down the lane with ease and come unglued off the backend with impressive power! Designed for medium conditions, the limited-edition VIP will dig harder in the oil than the Supra™ and provide more pop off the backend than the asymmetric Trident™ Nemesis.

INFUSION™ PEARL REACTIVE

Infusion™ Pearl Reactive technology provides length through the front of the lane with a fast and consistent backend response.

QUADFIRE™ WEIGHT BLOCK

One of EJ Tackett's favorite MOTIV® cores for creating angle is the symmetric Quadfire™, which was featured in the original Octane™ ball.
