

# SHIFT INTO **OVERDRIVE**

## **MEDIUM OIL**

The Forza™ SS provides a strong, smooth mid-lane reaction for unbeatable control on medium oil conditions. It will certainly be most beneficial when you need a ball that hooks in the oil and at the backend of the lane. Its reliability and smooth down lane motion will make the scariest conditions a smooth ride!

## **HELIX™ HFS REACTIVE**

The Forza™ SS was tuned with the new Helix™ HFS Reactive coverstock to create a strong and smooth ride. This new coverstock gets the Forza™ SS firing on all cylinders!

## **SIGMA™ WEIGHT BLOCK**

With a low RG, higher differential, and compact design, the Sigma™ core powers the Forza SS down the lane with impressive motion.
