

GOING WHERE OTHERS CANNOT **TANK™ RAMPAGE PEARL**

LIGHT OIL

Get ready for the return of the Tank Rampage! Making its comeback as a pearl, the Tank Rampage Pearl is the latest development of Microcell Polymer technology. Approved for action on both the PBA National and Regional tours, this phenomenal new MCP Pearl ball sets the new standard for urethane-like dry-lane performance.

GEAR™ V2 WEIGHT BLOCK

With a lower RG compared to other cores in typical urethane balls, the Gear™ V2 ensures a heightened stability in the mid-lane, elevating your game to new heights.

15# RG: 2.55 | 15# Diff: .020 | Flare: 3"+

FRIXION™ M6 PEARL MCP

Surrounding the Gear V2 is the revolutionary Frixion M6 Microcell Polymer Pearl coverstock, a cutting-edge formulation tailored for the distinctive urethane ball motion on dry lanes. For those craving extra traction and a long-lasting finish that defies lane shine, the Frixion M6 MCP Pearl cover incorporates the Duramax coverstock additive, a proven gem from Motiv Bowling's solid coverstocks.

1000 GRIT LSS FINISH

A 1000 grit LSS finish strikes the perfect balance with the pearl MCP coverstock, delivering an aggressive yet smooth motion.
