

THE LEGEND RETURNS

HEAVY OIL

The Jackal™ Rising is back and even stronger! The Jackal™ Rising is an obvious choice for speed dominant bowlers who are looking for maximum hook potential. Bowlers competing on high volume oil patterns will want the Jackal Rising in their bag. And, because of the smooth motion that this ball delivers, it is also a great option for blending over/under situations.

COERCION™ HV2 SOLID REACTIVE

The new Coercion™ HV2 (High Volume 2nd Edition) cover creates more friction in the oil to maximize hook potential and finish with impressive power.

PREDATOR™ V3 WEIGHT BLOCK

The asymmetric Predator™ V3 has more differential to add strength and cross more boards.

2000 GRIT LSS FINISH

The Jackal™ Rising is tuned with an aggressive 2000 grit LSS finish to maximize hook potential and blend over/under situations.
