

GO ON A RAMPAGE

LIGHT OIL

The Tank Rampage is a strong urethane ball engineered for the modern game. It will dominate on patterns with wet/dry features and also on higher friction surfaces where reactive resin balls are too angular. The Tank Rampage is the strongest urethane ball MOTIV has ever released, making it the most versatile Tank in the series. Now bowlers will be able to play more angles and use the Tank Rampage on more conditions.

ALCHEMY™ URETHANE

The new gold standard for urethane performance, this urethane technology provides a great deal of overall hook but with that smooth urethane shape.

GEAR™ V2 WEIGHT BLOCK

To make the Tank Rampage absolutely the best, we not only developed a new cover stock, but we also modified the original Gear core to provide a higher RG and tighter track flare.

15# RG: 2.55

15# Diff: .020

Flare: 4"+

3000 GRIT LSS FINISH

The Tank™ Rampage is tuned with a 3000 Grit LSS finish to provide more hook with a smooth shape.
