16	2.47	.054	
15	2.47	.055	
14	2.49	.054	
13	2.55	.045	
12	2.62	.032	

Introducing the ice-cold devastation of the new Subzero Forge. This latest beast in the Forge line is a force of nature, combining the proven power of the Detonator core with the traction of Leverage MXC Solid Reactive coverstock. The outcome is inevitable: pins left shattered and your competition frozen in fear. Embrace the cold and conquer the lanes with the Subzero Forge.
